

Trademark Change Notification Letter

Date : 1st Oct. 2018

Dear Customer,

Thank you very much for your continued support of KOBA buffers in Korea. Due to the disputes in the KOBA trademark in China market, in order to avoid disputes and ensure that customers purchase and use imported products from Korea, we decided to officially rename the Korean "KOBA" brand as "IZMAC" brand instead.

In order to maintain the quality and after sales service of Korean IZMAC buffer in China market, we authorized "Wuxi Amico Automation Technology Co., Ltd." as the main distributor in China. At the same time, in order to facilitate the use of customers, we guarantee that all product specifications and models remain unchanged, we will always provide customers with the highest quality products and services.

From now on, the KOBA brand buffer sold in China market will have no relationship with KOBA Korea. Please be aware.

We apologize for all the trouble caused by the trademark change. And we are deeply grateful for your continuous support.

Sincerely,

Seog Pil Yong / President
